Pursuant to the Court’s Distribution Order, the Court-appointed Claims Administrator, Epiq Class Action & Claims Solutions, Inc. \$227,246.12 in payments from the Net Settlement Fund had been cashed since October 28, 2019, leaving \$365,342.18 in uncashed checks and unclaimed wires from the Initial Distribution remaining in the Distribution Account. *Id.* Due to a concern that some Authorized Claimants had not cashed their payments from the Initial Distribution, Epiq pursued an extensive outreach to those Claimants. *Id.* This outreach was also performed to ensure uncashed payments for those potentially affected by COVID-19 received sufficient additional time to cash their payments or request reissue of their Initial Distribution payment prior to the Second Distribution. *Id.*

On May 29, 2020, and pursuant to this outreach, Epiq sent 392 letters to Eligible Claimants who had not yet cashed their payment from the Initial Distribution. *Id.* ¶ 4. As a result of this outreach, Epiq was able to reissue 176 payments that were uncashed from the Initial Distribution, allowing an additional \$117,466.60 in payments to be cashed by Eligible Claimants from the Initial Distribution. *Id.*

As of October 15, 2020, the balance of the Net Settlement Fund was \$247,875.58 from uncashed checks and wires. *Id.* An additional \$427,384.38 was returned to the Net Settlement Fund by financial institutions and \$15,790.91 of surplus funds reserved for taxes was also added to the Net Settlement Fund for the Second Distribution. *Id.* ¶ 5. After all claims administration work related to the Initial Distribution was completed and after deducting Epiq's fees and expenses, \$656,547.93 of the Net Settlement Fund remained available for the Second Distribution. ¶ 6.<sup>2</sup> On October 16, 2020, a total of \$656,547.93—the remaining balance of the Net Settlement Fund—was disbursed in the Second Distribution to Authorized Claimants who cashed their checks in the Initial Distribution and were entitled to receive at least \$10.00 from the Second Distribution based

Following the expiration of the 90-day deadline for cashing the Authorized Claimants' distribution checks from the Second Distribution of the Net Settlement Fund, Lead Counsel will coordinate with Epiq to complete the plan for the remaining funds, if any remain by reason of undeliverable, uncashed, or returned checks, as approved by the Court's Distribution Order. Lead Counsel, together with Epiq, continue to monitor returned checks, correspond with Claimants, and process requests for the reissuance of checks and will engage in these activities until this matter has concluded.

In accordance with the Court's Distribution Order, when Lead Counsel, in consultation with Epiq, determine that further distribution is not cost-effective, if sufficient funds remain to warrant the processing of late or late-adjusted Claims, Epiq will process those Claims.

If any funds remain in the Net Settlement Fund after payment of these late or late-adjusted Claims, the remaining balance of the Net Settlement Fund, after payment of any unpaid fees or expenses incurred in administering the Net Settlement Fund, and after the payment of any estimated taxes, the costs of preparing appropriate tax returns, and any escrow fees, will be contributed to non-sectarian, not-for-profit 501(c)(3) organization(s) to be designated by Lead Counsel and approved by the Court.

Case No. 3:14-cv-01395-TJC-JBT

CLASS ACTION

**SUPPLEMENTAL DECLARATION OF ALEXANDER VILLANOVA REGARDING  
DISTRIBUTION OF THE NET SETTLEMENT FUND**

I, Alexander Villanova, declare and state as follows:

1. I am a Senior Project Manager for Epiq Class Action & Claims Solutions, Inc. (“Epiq”). The following statements are based on my personal knowledge and information provided by other Epiq employees working under my supervision and, if called on to do so, I could and would testify competently thereto.

2. Epiq was retained by Class Counsel to serve as the Claims Administrator in connection with the Settlement of the above-captioned action (the “Action”).<sup>1</sup> As more fully described in the October 31, 2019 Declaration of Alexander Villanova Regarding Distribution of the Net Settlement Fund (ECF No. 184-1), pursuant to the Order Approving Distribution Plan entered November 26, 2018 (ECF No. 178) (the “Distribution Order”), checks and wire transfers from the Net Settlement Fund were sent and issued to Authorized Claimants beginning on March 1, 2019, in an amount totaling \$50,838,014.93, or 100% of the Net Settlement Fund (the “Initial

Distribution”). As of October 28, 2019, \$50,245,426.63, or 98.8% of the Net Settlement Fund, has been cashed by recipients, and \$592,588.30, or 1.2% of the Net Settlement Fund, remained in the account.

3. When Epiq provided an updated accounting to Lead Counsel on the Initial Distribution, the updated accounting reflected that an additional \$227,246.12 in payments from the Net Settlement Fund had been cashed since October 28, 2019, leaving \$365,342.18 of uncashed checks and unclaimed wires from the Initial Distribution remaining in the Distribution Account. Lead Counsel then instructed Epiq to pursue an extensive check outreach to those Claimants who had not cashed their checks or claimed their wires from the Initial Distribution. This outreach was also performed to ensure uncashed payments for those potentially affected by COVID-19 received sufficient additional time to cash their payments or request reissue of their Initial Distribution payment prior to the Second Distribution.<sup>2</sup>

4. On May 29, 2020, and pursuant to this outreach, Epiq sent 392 letters to eligible Claimants who had not yet cashed their payment from the Initial Distribution. As a result of this outreach, Epiq was able to reissue 176 payments that were cashed from the Initial Distribution, allowing an additional \$117,466.60 in payments to be cashed by eligible Claimants from the Initial Distribution. As of October 15, 2020, a total of \$50,590,139.35 had been cashed from the Initial Distribution and the balance of the Net Settlement Fund was \$247,875.58 from uncashed checks and unclaimed wires.

---

<sup>2</sup> There was a delay in Epiq’s ability to conduct a second distribution of the Net Settlement Fund (the “Second Distribution”) as originally scheduled due to technical issues impacting Epiq’s computer systems. On February 29, 2020, Epiq experienced technical issues, requiring Epiq’s computer systems to be taken offline. From February 29, 2020, to March 9, 2020, these technical issues affected access to the toll-free number and website dedicated to this Settlement and disrupted Epiq’s printing and mailing capabilities. Since that time, all of Epiq’s computer systems have been fully returned to normal functioning and, to the best of the company’s knowledge, no data had been accessed, viewed, copied, extracted, or compromised, including data related to this Settlement.

5. Between March 27, 2019, and April 3, 2020, an additional \$427,384.38 was returned to the Net Settlement Fund by financial institutions and custodians and \$15,790.91 of surplus funds reserved for taxes was also added to the Net Settlement Fund for the Second Distribution.<sup>3</sup>

6. After all claims administration work related to the Initial Distribution was completed and after deducting \$34,502.94 for Epiq's additional fees and expenses, \$656,547.93 remained available for the Second Distribution of the Net Settlement Fund.<sup>4</sup>

7. On October 16, 2020, a total of \$656,547.93 of the remaining Net Settlement Fund was disbursed to Authorized Claimants who cashed their Distribution check from the Initial Distribution and were entitled to receive at least \$10.00 from the Second Distribution based on their *pro rata* share of the remaining funds.

8. As of October 30, 2020, \$366,207.14 has been cashed by recipients in the Second Distribution and \$290,340.79 of the Net Settlement Fund remains in the Distribution account. Epiq will continue to monitor returned checks, correspond with claimants, and process requests for the reissuance of checks and will engage in these activities until this matter has concluded. The total amount of Epiq's Fees and Expenses as of October 30, 2020, including estimated costs for the Second Distribution, is \$728,798.75.

9. Pursuant to the Distribution Order and the Court-approved Plan of Allocation, if Lead Counsel, in consultation with Epiq, determine that a further distribution is cost-effective,

---

<sup>3</sup> This amount consists of Initial Distribution payments that were cashed and then returned to the Net Settlement Fund due to being identified by the filer as a payment for a duplicate Claim or where the filer of the Claim was unable to allocate the payment to the Beneficial Owner of the Claim.

<sup>4</sup> This amount includes all funds from uncashed checks and unclaimed wires that were forfeited by Authorized Claimants in the Initial Distribution, pursuant to ¶ 4(e) of the Distribution Order.

Epiq can conduct a third distribution of the remaining funds six months after the Second Distribution, or on or about April 16, 2021.

I declare under penalty of perjury that the foregoing is true and correct.
